

Consumer Product Safety Improvement Act Warnings

In order to help Baker & Taylor's customers comply with the Consumer Product Safety Improvement Act ("CPSIA"), Baker & Taylor has compiled the attached listing of product warnings issued by Baker & Taylor's vendors. This listing will be updated on a regular basis as additional product warnings are received to provide you with access to the most current information. Baker & Taylor is also working to integrate this information into Baker & Taylor's electronic database products, including Title Source 3, School Selection, and B&T Link Online, to facilitate compliance with CPSIA. Please check here for regular updates to the listing of product warnings and for further announcements regarding the status of Baker & Taylor's CPSIA integration project.
