

ONLINE CUSTOMER SUPPORT

OCS FROM BAKER & TAYLOR

- Track order status by line item - backordered, in progress or shipped
- View & print invoices
- Email questions
- Search ISBN, PO number, order or invoice date range
- Get up-to-date information!

Online Customer Support (OCS) is Baker & Taylor's web-based account management system. Access the OCS system through your web browser 24 hours a day, 7 days a week to search and view account information, orders and invoices with Baker & Taylor.

OCS' sophisticated search options include the ability to query orders by Purchase Order, B&T Order Number, ISBN, Order Date Range and more. The OCS data is updated to reflect the latest order and invoice status, as well as up to six months of history.

You can also view detailed information on order and account status, warehouse location, quantities and prices, and shipping details. If a shipping carrier, such as UPS, has external tracking capabilities, a link in the OCS system will take you directly to the carrier's website where you can get additional information on your shipment's status. There's even an option that helps you print invoices and order details for your records.

Instant access, up to date information, and easy to use tools make Online Customer Support one more way we're making it easier for you to do business with Baker & Taylor.

WANT TO EXPERIENCE THE POWER FOR YOURSELF?

Simply go to www.btol.com. Click on the "Links" dropdown box in the upper right of the screen, and select Online Customer Support. For more information, contact your sales representative or call 1-800-775-1800.

Welcome,

The BTOL Customer Support System allows you to view information concerning your account set-up and orders or invoices related to specific accounts. Please select the type of query you would like to perform against all accounts in the dropdown or a specific account number and click the Go Search button.

Date

1. Find your orders using purchase order number, Baker & Taylor order number, a range of order dates or just ask to see all open orders. You can also look for orders that contain a specific title, author or ISBN for books, or artist, UPC or Baker & Taylor Product ID for music and video.

2. Send the search results to your printer or email with one click of your mouse. The printed report formats the data without the browser graphics for easy reference.
